

# 2022 CSA Subscription Agreement

This is a CSA Subscription agreement between Garvey's Gardens, LLC (Business) and all purchasers of any 2022 subscription.

## Terms

Garvey's Gardens, LLC (Business) will provide one (1) floral arrangement to all its CSA members during the weeks outlined in the 2022 subscription options. This will be done in exchange for a monetary contribution per week of \$27 (or less if purchased from 11/26-11/30).

## Payment

Your CSA membership is to be paid in full **at time of purchase**. You understand that unless paid in full you will not be a member and will not receive bouquets.

## Refunds

We do not offer refunds. A CSA subscription is about commitment to a local farmer and our commitment to you. If you have made a purchase and no longer want to receive your share, you can donate your arrangement to St. Mary's Hospital, or transfer it to a friend (1 transfer allowed per subscription at the discretion of Garvey's Gardens, LLC).

## Expectations

1. I agree to arrive at my pick-up location on time or give advanced notification if I am unable to do so. I also understand that the CSA has a tight schedule they must adhere to and that they are unable to wait past designated times.
2. If I am unable to pick-up at the designated time or I do not contact the CSA to make alternate arrangements before my pick-up time, the arrangement will be donated.
3. I understand that my arrangement is a living, breathing, senescing entity - and that any vase life is not guaranteed on any material or the arrangement as a whole. More information on taking care of your arrangement to ensure the longest possible vase life is available on our website, [www.garveysgardens.com](http://www.garveysgardens.com).
4. I understand that the arrangement will be composed of a variety of seasonally available materials and that no specific flowers or colors or varieties can be guaranteed.
5. I understand that none of the arrangements nor the materials therein are intended for edible or topical use. I understand that materials may be irritating or toxic or poisonous if ingested by humans or other animals, and I agree to hold Garvey's Gardens, LLC (Business) free of liability. If I have any questions, I will ask them as soon as possible.

6. If there is anything that is questionable, I will give the CSA the opportunity to make it right. We will do our best to answer and address your questions.
7. I understand that by becoming a member I am sharing in the risk and rewards of the growing season. I realize there is an element of unpredictability with pests, disease, weather, pandemics, quarantines, acts of God and other unforeseen circumstances that may contribute or detract from the production of materials, and I agree that my bouquets may be subject to these factors. In the event of a catastrophic farm failure, we will do our best to adapt to the situation but, unfortunately, there are no guarantees with farming.
8. I will automatically be added to our email list and I promise to stay subscribed to it for as long as I am a CSA subscriber. It is very important to read the emails since we use it to communicate with you as a customer and to inform you of any changes or updates.
